What is the GTS Smart Mobility Hub App?

The Smart Mobility Hub is a pilot project that allows Fingal County Council (FCC) staff to use a selection of e-cars and e-bikes when they need to go off-site for work purposes. This service is free to FCC staff.

Good Travel Software (GTS) have developed the GTS Smart Mobility Hub app to allow staff to conveniently book the Mobility Hub vehicles.

To provide this service, **FCC (Data Controller)**, project partner **GTS (Data Processor)** and sub-processors, need to collect and process your personal data for booking and fleet maintenance purposes.

This privacy notice sets out how your data will be processed and your rights as a data subject.

Separate to this service delivery, anonymised (not personal) journey data will be shared with UCD Spatial Dynamics Lab for research purposes. This is to help evaluate and validate the Smart Mobility Pilot Project. The data shared with UCD will be historic GPS data collected from the Mobility Hub Vehicles. No personally identifiable information will be shared with UCD. To read more about the research project [click here](#).

Why do we have a Privacy Statement?

This privacy statement intends to demonstrate Fingal County Council's firm commitment to privacy and to assure you that in all your dealings with us we will endeavour to ensure the security of the data you provide to us.

Any personal information that we process will be treated with the highest standards of security and confidentiality, strictly in accordance with the General Data Protection Regulations (GDPR) 2018 and the Data Protection Acts 2018.

How will the GTS Smart Mobility Hub process your data?

1. What personal data do we need?

The below personal data fields are collected and subsequently processed when you sign up to the service:

- First name*
- Last name*
- Email address*
- Password*
- Work address*
- Mobile phone number*

- Driver's license image front and back** or Staff card image front***
- Date of Birth*
- Pay Number*
- Gender
- Grade
- Section
- Department

The below data is processed automatically when an e-car or e-bike is being used:

- GPS location data

(*mandatory)

(** mandatory if using the e-cars)

(*** only mandatory if only using the e-bikes)

2. How will we process your personal data?

Registration

- To use the Smart Mobility Hub vehicles, you must register via the GTS Mobility Hub App.
- The personal data that you share via the app registration process will be used to create a user profile. This will enable you to make bookings and use the service.
- In the case of booking cars, your personal data will also be reviewed to ensure that you can legally use the service.

Communication

- Your personal data will be used to enable FCC, GTS, or customer support sub-processors, contact you, if necessary, in relation to service use.
- Your personal data will not be used for marketing purposes.

Fleet Maintenance and Customer Support

- GPS location data will be collected automatically when the e-cars and e-bikes are in use.
- This e-car GPS location data will be used to respond to customer support or maintenance issues such as a break-down or if a vehicle is stolen.
- The e-bike data will be shared with UCD Spatial Dynamics Labs for research purposes.

User data will be aggregated and analysed by project staff (FCC) for the purpose of understanding and increasing project success.

The personal, including location, data processed as part of this service, will not be used for the purposes of tracking the location or monitoring the behaviour or vehicle users.

Research

- At weekly intervals throughout the project, historic (i.e., not real-time) GPS journey data from the e-cars and e-bikes will be shared with UCD Spatial Dynamics Lab for research purposes. This location data will be anonymous, i.e., the data will not be linked to any personally identifiable information (see section 10 below). The research carried out by UCD Spatial Dynamics Lab

3. The legal basis for processing the personal data

The legal basis for processing your data is *Contract*.

“processing is necessary for the performance of a contract to which the data subject is party or in order to take steps at the request of the data subject prior to entering into a contract” Article 6(1)(b) GDPR

The Mobility Hub Service is provided to Fingal County Council staff to assist in work-related travel. This processing is therefore carried out in the performance of your employment contract with Fingal County Council.

4. Data Sharing

The personal data collected from this app will be processed securely by:

- **Fingal County Council: Data Controller**
- **Good Travel Software: Data Processor**
 - **Nifti Business: Sub-Processor (provide e-car customer support)**
 - **BleeperBike: Sub-Processor (provide e-bike and bike customer support)**

Personal data will not be shared with or accessed by any other parties.

The scope of the processing is outlined in a Data Processing Agreement between FCC and (sub)Processors.

Anonymised journey data will be shared with our research partner UCD Spatial Dynamics Lab.

5. Security Measures

FCC, GTS, and the sub-processors implement adequate, documented security measures to ensure that the integrity of your personal data is upheld, and that all data is processed safely.

6. Retention period

Personal Data collected will be anonymised on or before 31st December 2022, with the option to extend this period by written instruction only.

7. Your Rights

You have the following rights, in certain circumstances and subject to applicable exemptions, in relation to your personal data:

- the right to access the personal data that we hold about you, together with other information about our processing of that personal data.
- the right to require us to rectify any inaccuracies in your personal data.
